

by and between

parties of the first part, and the CITY OF RIVERSIDE, a municipal corporation of the State of California, the party of the second part.

WHERE for a valuable consideration, receipt whereof is hereby acknowledged, said parties of the first part do by these presents grant unto the said party of the second part, its successors and assigns, an easement and right of way for the construction, maintenance, operation, inspection, repair, replacement, and removal of electric lines and cables, including such additional lines as said grantee may from time to time in the future require, upon and by means of one line of poles, with supporting structures, crossarms, wires, anchors, fixtures, and appurtenances, for the transmission of electric energy for any and all purposes for which the same may be used, and communication purposes upon, over, and across that certain real property situated in the County of Riverside, State of California, described as follows:

Description attached -

Approved as to description J. J. Campbell 9/4/63

A uniform strip of land, 20 feet in width, over, under and across a portion of the southeast quarter of Section 18, Township 3 South, Range 4 West, San Bernardino Base and Meridian, more particularly described as follows:

A strip of land, 20 feet in width, lying a right angular distance of 10 feet on each side of the following described line;

Beginning at a point in the west line of the southeast quarter of said Section 18, distant thereon North 88°00'15" West, 594.4 feet from the south quarter corner of said Section 18;

Thence North 76°56'41" East (recorded South 77°02'38" West), parallel with and 10 feet southerly of, measured at a right angle, the southerly line of that certain 16.5 foot wide right of way conveyed to Southern California Gas Company and Southern Counties Gas Company of California by deed recorded September 13, 1947 in Book 847, page 474, Official Records of Riverside County, a distance of 243.70 feet;

Thence North 73°22'21" East (recorded South 73°26'08" West), continuing parallel with and 10 feet southerly of the said 16.5 foot wide right of way, a distance of 91.35 feet to the easterly line of Parcel 1, as shown on map of a Record of Survey on file in Book 40, page 26, Records of Survey, Records of Riverside County, said ending being north 73°04' West, 29.69 feet from the southeasterly terminus of that certain course shown on the above mentioned Record of Survey as being North 73°04' West, 71.00 feet.

The side lines of said strip shall be lengthened or shortened to terminate on their adjoining courses and westerly on the west line of the southeast quarter of Section 18, and easterly on the easterly line of Parcel 1, as shown on the above mentioned Record of Survey.

Basis of bearings for this description being based upon the above-mentioned Record of Survey filed in Book 40, page 26, Records of Survey, Records of Riverside County.

A G R E E M E N T

We, the undersigned, as Grantors, as our individual interests appear, do hereby grant to the City of Riverside, a municipal corporation of the State of California, the right to repair, maintain, operate and use existing private roads over, upon and across lands owned by said Grantors.

There is also granted the right to grade and reconstruct said existing private roads as may be necessary to properly repair, maintain, operate and use said existing private roads.

There is also granted the right to construct, maintain, repair, operate and use roads, 20 feet in width, over, upon and across lands owned by said Grantors, said roads to be connector roads from the said private roads to the transmission lines to be constructed, operated, maintained and repaired over, upon and across Sections 13, 23 and 24, T3S, R3W, S.B.B. & M., and Section 32, T2S, R4W, S.B.B. & M. and Sections 5, 8, 17 and 18, T3S, R4W, S.B.B. & M.; said connector roads shall be constructed only when necessary to properly construct, operate, maintain and repair the said transmission lines.

The said Grantors reserve the right of reasonable use and enjoyment of private roads and said connector roads in common with the Grantee with the understanding, however, that the said Grantee shall assume no liability in connection with use made of said roads by others.

It is understood that Grantors and/or Grantee may construct, repair or maintain said roads in such a manner or with such materials as they deem feasible. However, neither party is hereby obligated to construct, maintain or continue to maintain said roads.

There is also granted the right to place, move, remove and store materials and equipment on sites adjacent to said connector roads during periods of transmission line construction, with the understanding that upon termination of said construction, all remaining materials and equipment shall be removed from said sites by the Grantee, its agents, employees or assigns and all such sites shall be returned to their original condition.

There is also granted the right to remove fencing as necessary for said construction with the understanding, however, that at all times adequate measures for the prevention of the straying of livestock shall be taken and upon termination of said

construction, all such removed fencing shall be replaced in its original position and condition.

The rights hereby granted by this agreement may be exercised by the Grantee, its agents, employees or assigns.

Upon development of the area which provides suitable access to the said transmission lines by public roads, this Agreement in whole, or in part, shall be vacated upon request by the Owners of Record.

~~EXHIBIT A~~ description of land covered by this Agreement:

That portion of the southeast quarter of Section 18, T.3S., R.4W., S.B.B. & M. shown as Parcel 1 on plat of a Record of Survey on file in Book 40, page 26, Records of Surveys, Riverside County records.
